The Honorable Maria Contreras-Sweet  
Small Business Administration Administrator  
U.S. Small Business Administration  
409 3rd St, SW  
Washington, DC 20416

Dear Ms. Contreras-Sweet:

As a part of the Subcommittee's oversight of contract management, I am writing to request information regarding the U.S. Small Business Administration's (SBA) review of the participation of Alaska Native Corporations (ANCs) in the 8(a) small and disadvantaged business contracting program.

As you know, in the 1980s and 1990s, Congress passed a series of laws which made ANCs eligible for federal contracting opportunities, including the SBA's 8(a) program. Since then, many ANCs have grown to be multi-million dollar corporations that are among the largest federal contractors. In 2009, I held a hearing that highlighted my concerns about ANCs' participation in the 8(a) program, including a lack of oversight by SBA, the use of ANCs to circumvent the federal contracting process, and that the benefits were not reaching disadvantaged Alaskan natives.<sup>1</sup>

In October 2009, SBA offered a set of proposed rules designed to increase oversight into the 8(a) program.<sup>2</sup> The revised rules took effect March 14, 2011.<sup>3</sup> Under the new rules, SBA tightened requirements for joint ventures with non-8(a) companies, provided that ANCs and tribal entities could no longer receive sole-source follow-on contracts previously performed by

- (1) A list of joint venture contracts awarded under the 8(a) program where an ANC or a tribal entity was a party from March 14, 2011, to present;
- (2) All reports filed by ANCs and tribal entities detailing the amount of benefits flowing back to their communities from March 14, 2011, to present; and
- (3) Information sufficient to show SBA's oversight of the new rules related to joint ventures and follow-on contracts for ANCs and tribal entities.

I request that you provide this information in a briefing for Subcommittee staff as soon as possible, but no later than **Friday, July 11, 2014**.
